Dear TCF customer,

Due to concerns for the safety and integrity of the online banking community we have issued this warning message. It has come to our attention that your account information needs to be updated due to inactivity. If you could please take 5-10 minutes out of your online experience and renew your records you will not run into any future problems with the online service. In case you are not enrolled for Internet Banking, you will have to use your Social Security Number as both your Personal ID and Password and fill in all the required information, including your name and your account number.

However, failure to update your records may result in your debit card suspension.

Once you have updated your account records your internet banking service will not be interrupted and will continue as normal.

Please follow the link below to renew your account information.
