**TCF Bank e-mail & Online Banking**

---

Dear **Customer**,

At TCF Bank the greatest responsibility to our customer is the safekeeping of confidential information you have entrusted to us and using it in a responsible manner. A fundamental element of safeguarding your confidential information is to provide protection against unauthorized access or use of this information. We maintain physical, electronic and procedural safeguards that comply with federal guidelines to guard your nonpublic personal information against unauthorized access.

At this time we need you to confirm your e-mail address with our existing database. As soon as our database will be updated we need to make few important announcements to our customers so please update your information with no delay.

Please click [click here](#) to confirm your e-mail information. Our database will be instantly updated.

We are committed to the responsible use and protection of customer information on our website.

At TCF Bank we are dedicated to providing you with exceptional service and to ensuring your trust. If you have any questions regarding our services, please check the website or call our customer service.

Best Regards,  
Patricia L. Quaal ,  
TCF Bank - Online Department.
