Subject: TCF Bank Security Update Notification

Dear Valued TCF Bank Customer,

AT TCF Bank, security and customer satisfaction is our number one aim. To this effect, we recently updated our Online Banking security system with a newly introduced Security Platform in which Protects you against online fraud. This new Banking Security protects your online banking accounts in order to have a safe and risk free internet banking experience. Due to this development, you will experience difficulty towards accessing your accounts online. Therefore, you are required to Update your account in order to ensure you are fully protected. In order to protect your account, you are required to click on the " Protect Now " button below :
