February 2008

Dear Customer,

TCF Bank has been under severe spamming and phishing attacks in the last few weeks. Consequently, we are upgrading our servers to withstand these drastic surge of attacks. Furthermore, we are introducing an additional security feature in our online banking service. Due to these upgrades, you may experience interruptions while using TCF online banking. To prevent this, update your TCF online banking information by clicking the link below:

(Link removed by TCF for your security)

NOTE: For security reasons, you will need to provide your User ID, Password. You will also be required to enter your correct challenge questions and answers. We appreciate your understanding and apologise for any inconvenience.

THOMAS J. PASCAL
Head of Online Security Team
TCF Online Banking

As outlined in our User Agreement, TCF Bank will periodically send you information about site changes and enhancements. Visit our Privacy Policy and User Agreement if you have any questions.
